Alexandria, VA 22303-1863**

LEAGUE PAC POLICY

LEAGUE-PAC was established by the National League of Postmasters in 1982 to provide Postmasters an opportunity to voluntarily engage in the political process of this Nation.

Each state branch is assigned an annual goal based on its June 30 membership.

Contributors are eligible for three clubs:

LEAGUE-PAC Supporters Club	\$ 10.00 to \$ 24.00
LEAGUE-PAC Officers Club	\$ 25.00 to \$ 99.00
LEAGUE-PAC Leaders Club	\$ 100.00 or more annually

Annual contributions of \$100.00 or more trigger a dollar-for-dollar bonus credit for **LEAGUE** leaders.

Pins in the “**Capitol Dome**” series increase in recognition value from \$100.00 to \$5,000.00 in 11 steps.

The first pin in the “**Capitol Dome**” series is either a plain silver dome or a plain gold dome lapel pin with no stones. The **Gold** lapel pin recognizes contributions of \$100 within one year. The **Silver** lapel pin recognizes cumulative contributions over more than one year, which reach \$100.00, beginning with 1992 contributions.

The “**Capitol Star**” series was inaugurated at the 1995 National Convention. It recognizes cumulative contributions and bonuses starting at the \$5,500 level to the \$10,599 level in 11 steps.

The “**Capitol Ruby**” series recognizes cumulative contributions from \$11,000 to \$15,999 in 10 steps.

The “**Capitol Emerald**” series recognizes cumulative contributions from \$16, 000 to \$22,499 in 13 steps.

Misplaced pins can be replaced at the face value cost.

Funds raised are contributed to Congressional candidates only. No contributions are made to Presidential, State, or Local candidates or to third-party PACs.

Contributions are made on a non-partisan basis.

Contributions are made to candidates who understand and support the interests of Postmasters and the US Postal Service. Candidates are evaluated using the following criteria: (1) co-sponsorship and/or appropriate votes on legislation of importance to the **LEAGUE**; (1) Committee assignments; (3) Leadership positions; (4) election opposition; (5) candidate’s campaign committee cash balance.

LEAGUE-PAC is professionally managed in full compliance with all Federal laws and regulations governing political action committees as dictated by the Federal Election Commission (FEC).
