

If you've always wished for great rates on loans
and higher returns on your deposits

WE WANT YOU

Strength and stability you can count on.

Atlanta Postal Credit Union (APCU) was founded in 1925 by US Postal Service employees based on their belief that working people should have a safe, sound and economical place to save and borrow money. We have been assisting postal employees ever since by providing the financial services they need to help their families prosper.

NLPM members can join us.

Over the years, APCU and the National League of Postmasters (the League) have developed a long-standing relationship of friendship and mutual support. As a League member and postal employee or retiree, you are eligible to join the credit union and take full advantage of our wide range of financial services.

Enjoy better loan rates and higher dividends.

As a not-for-profit cooperative, APCU is able to offer you low rates on first and second home loans; home equity lines of credit; auto, truck and van loans; RV, motorcycle and watercraft loans; personal loans, and credit cards. You'll also find we pay higher yields on certificates, IRAs, savings accounts and checking accounts.
